

1. The first part of the paper discusses the importance of the study of the history of the English language. It is noted that the English language has a long and rich history, and that the study of its history is essential for a full understanding of the language. The paper then discusses the various factors that have influenced the development of the English language, including the influence of other languages, the influence of social and cultural changes, and the influence of technological advances.

2. The second part of the paper discusses the importance of the study of the history of the English language. It is noted that the English language has a long and rich history, and that the study of its history is essential for a full understanding of the language. The paper then discusses the various factors that have influenced the development of the English language, including the influence of other languages, the influence of social and cultural changes, and the influence of technological advances.

3. The third part of the paper discusses the importance of the study of the history of the English language. The paper then discusses the various factors that have influenced the development of the English language, including the influence of other languages, the influence of social and cultural changes, and the influence of technological advances.

COMMUNIA Eligentium  
Suffragia, BEATISSIME  
PATER, tali animi de-  
missione, & constan-  
tia, recusaveras, ut dum Possessorem,  
& Principem feliciter possidemus, vi-  
deamur oculis nostris non assentiri.

Aliis, non Tibi natus, solo Imperii  
pondere contentus, in alios confers  
Principatus felicitatem; nostræ tamen  
felicitati vix credimus.

A 2

Sed

Sed in hoc Ecclesiæ Militantis triumpho ne dedigneris, BEATISSIME PATER, Archi-Basilicæ Tuæ LATERANENSIS oscula ad Sacros Pedes obsequentissima.

Ingredere Templum omnium Ecclesiarum Caput, CONSTANTINI pietate, ac magnificentia illustre, Sacro tamen Cinere Sanctorum Pontificum illustrius, qui Potestate Clavium, quas Tibi offerimus, & regnarunt in Terris, & Thesauros aperuerunt non deficientes in Cœlis.

TE Summo Sacerdote, renovanda speramus LEONIS, & GREGORII tempora, unde in universam Terram lumen æternæ Veritatis effulgeat.

Sed quid dixi, speramus? Vidimus, & cum admiratione vidimus: TE vidimus, non sine lacrymis, humilem in publicis Supplicationibus; providum in Nosocomiis; pium in Sacrificiis; summè religiosum in Sacramentorum ad-

administratione , itaut omnia Prædecessorum pietatis officia statim unus impleveris.

Speramus TE Principe , publicam Pacem, & Tranquillitatem fovendam , & confirmandam : Tua virtute , Tuo consilio Litterarum studia , & liberales artes ornamenta Reipublicæ , quæ privatus exemplo , & mercede excolueras , præmiis nunc, & tutelâ Principis aucta , perpetuò duratura.

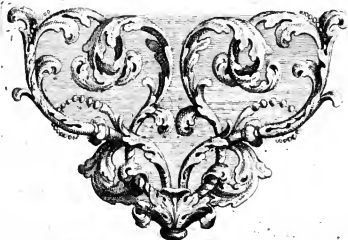

Audi festivas Populi voces: TE enim unusquisque suum appellat , illa humanitate fretus , qua nullum à TE nisi felicem finis abire.

Dicenti nunquam uberior eloquentiæ campus apparuit : Pressus tamen magnitudine Rerum , & temporis angustiiis materiam cogor silentio suppressere; maximè coram Principe, qui solus tanto par esset argumento, si de Se loqui liceret .

Unum

Unum addam: Dent Tibi, Princeps,  
ætatem Superi, quam mereris, fervent-  
que animum, quem dederunt: Et si  
Tibi Principatus est pœna, pœna eva-  
dat in meritum.

Regna, sed sereno animo regna: Et  
cum GREGORIO dicas *Pœna quidem in-  
terrogat, si quietus quis veraciter amat.*

R O M Æ, M DCCXI.

Typis Lucae Antonii Chracas, propè Curiam INNOCENTIANAM.

SUPERIORUM FACULTATE.
